FLORA ST. JOHN A TALE OF VICISSITUDES.

BY MRS. ANNA WILLS PRICE. CHAPTER XL.

Long after midnight Flora was awakwhen Flora had completed a hasty toilplaced in the dressing room of the afed in white and supported by the strong arm of Charles Julian, Flora looked once towards the fair face distoded by pasms of agony, the flowing ringlets in wild confusion, the uplifted hands struggling to escape from thrall, she heard the wild shricks, which brought tears to her sympathising soul, and then seated herself at the piano, wafting de-Helous strains of melody and sweetness on the summer air. But the soul of Juharp and her rich clear voice rang out on the moonlit night. The maniae gradthe floor, fell into a gentle slumber. Athis thanks and appreciation of her pow-

ook, she gave her heart involuntary to his keeping. On retiring again to rest she chided neart she felt no doubt of the love or
